

# **eReport Portal**

## Installation and Usage

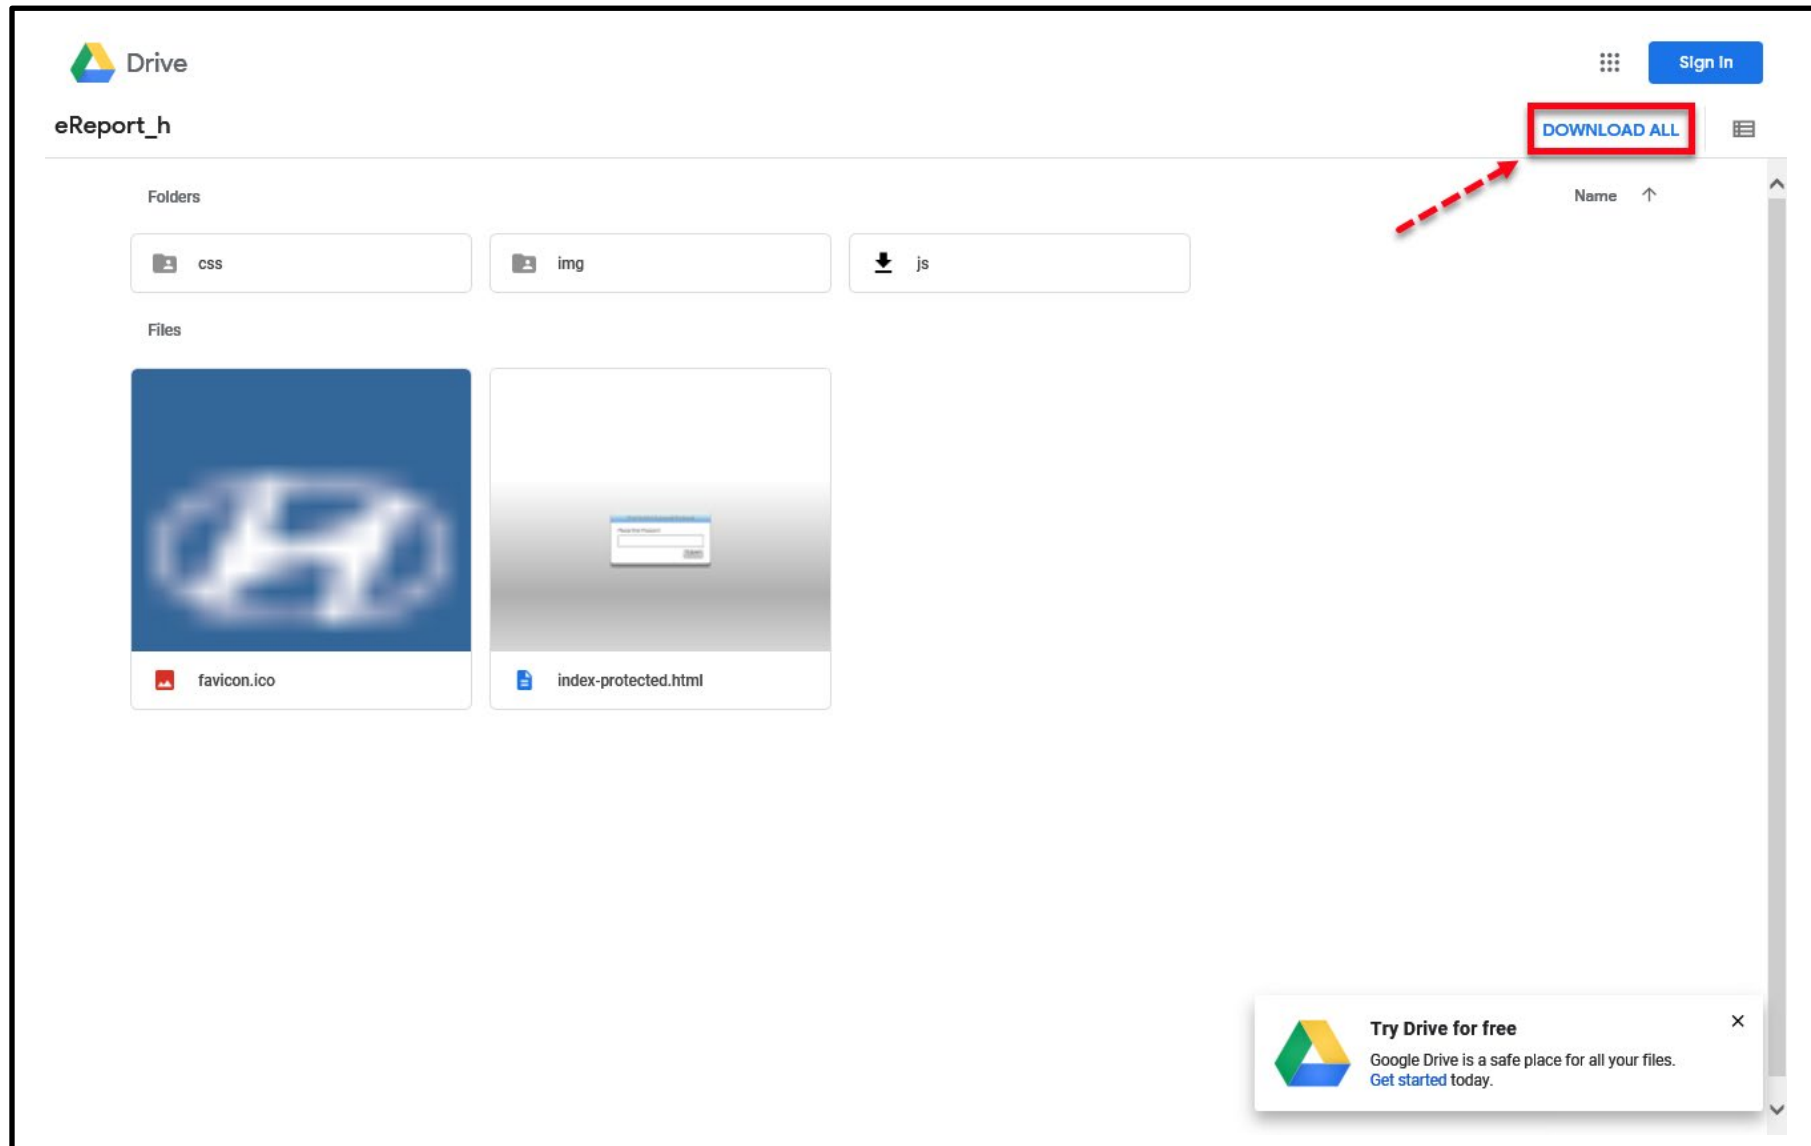

April 14<sup>th</sup> 2019

# **eReport Installation.**

# eReport Portal Installation

Navigate to Google Drive Download Link: [https://drive.google.com/open?id=1hk\\_RhviIUTxiVDLDIEz1zJi7kSh9mMuY](https://drive.google.com/open?id=1hk_RhviIUTxiVDLDIEz1zJi7kSh9mMuY)

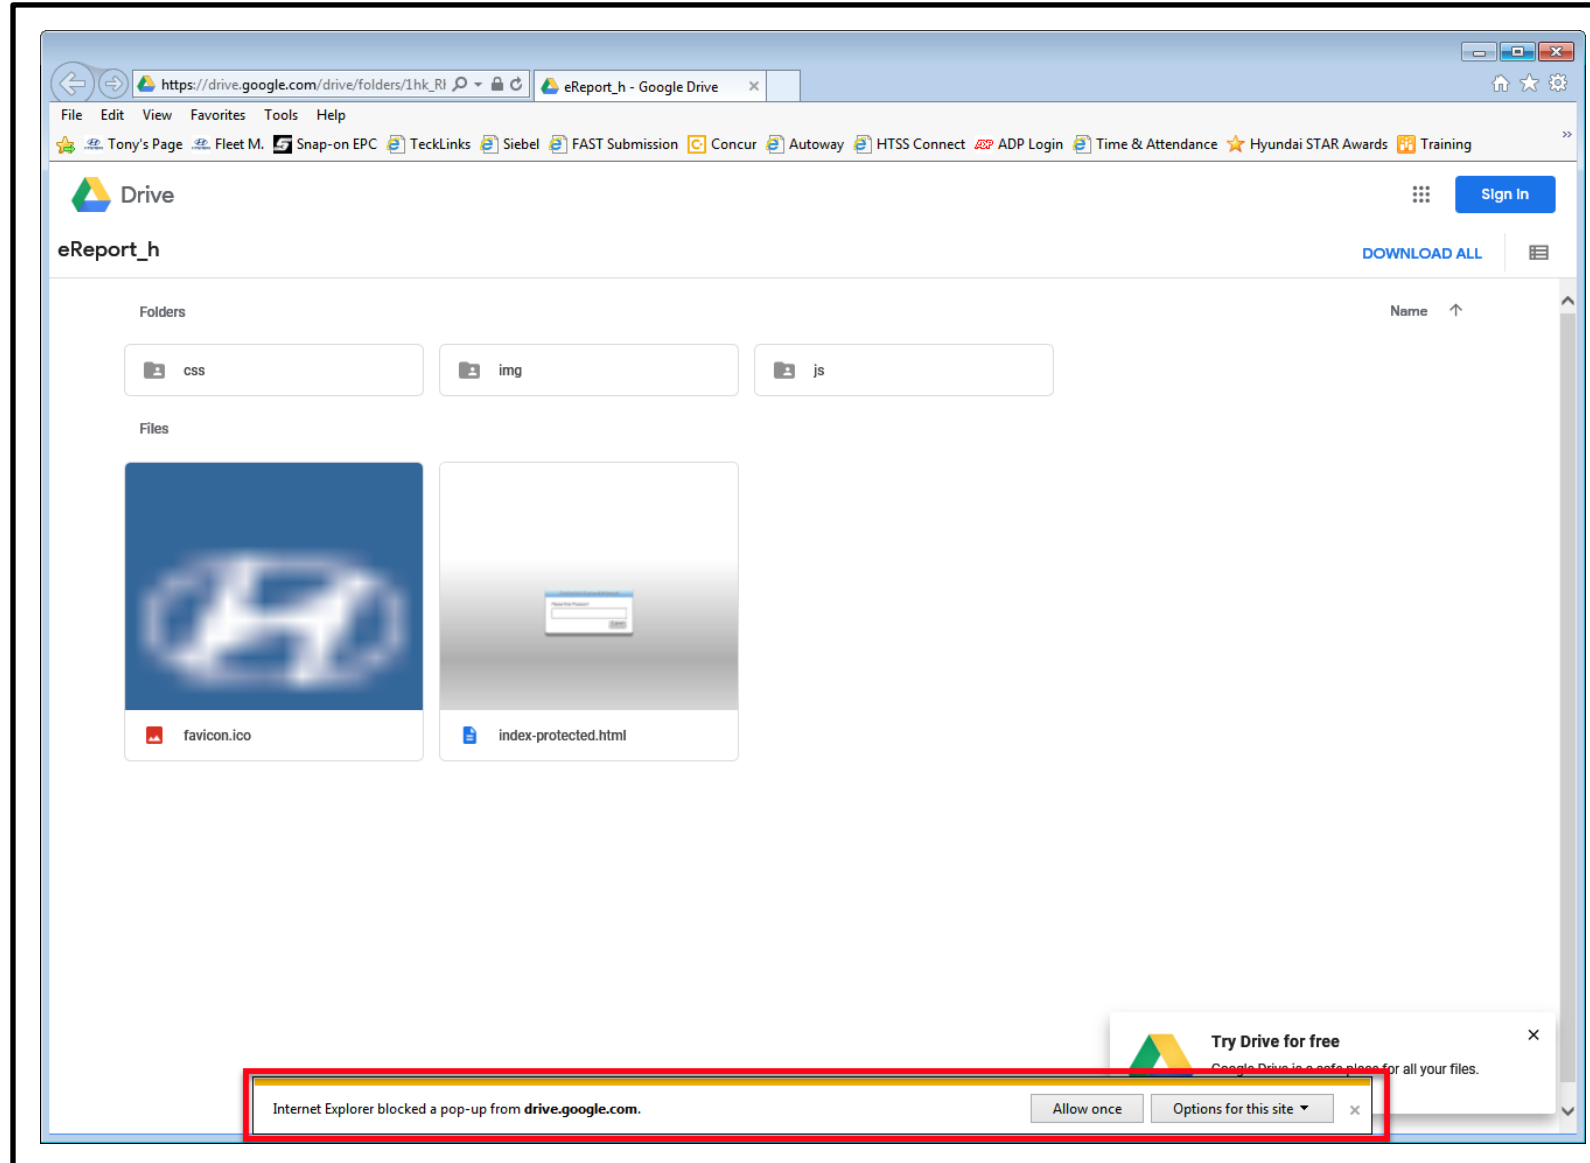

Select "Download All"

# eReport Portal Installation

Allow “pop-up” from drive.google.com, when prompted

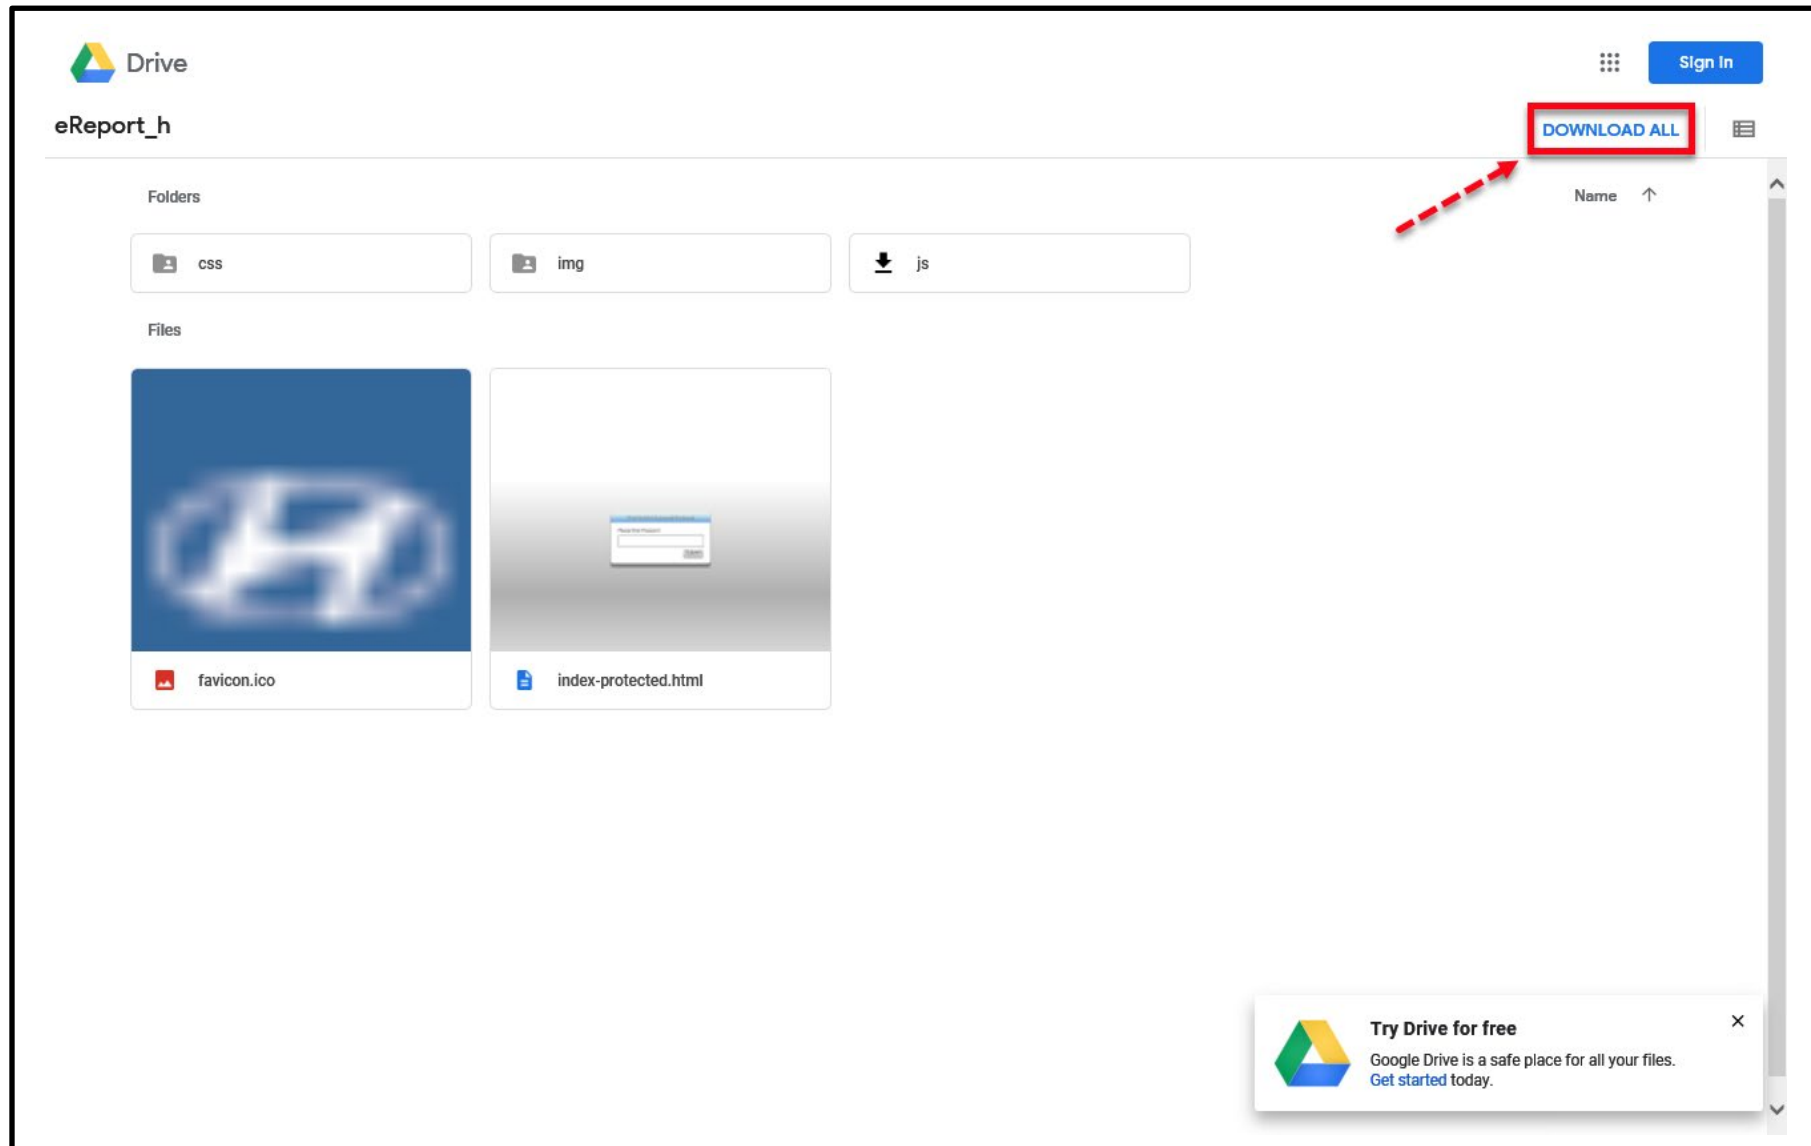

Select “Allow Once”

# eReport Portal Installation

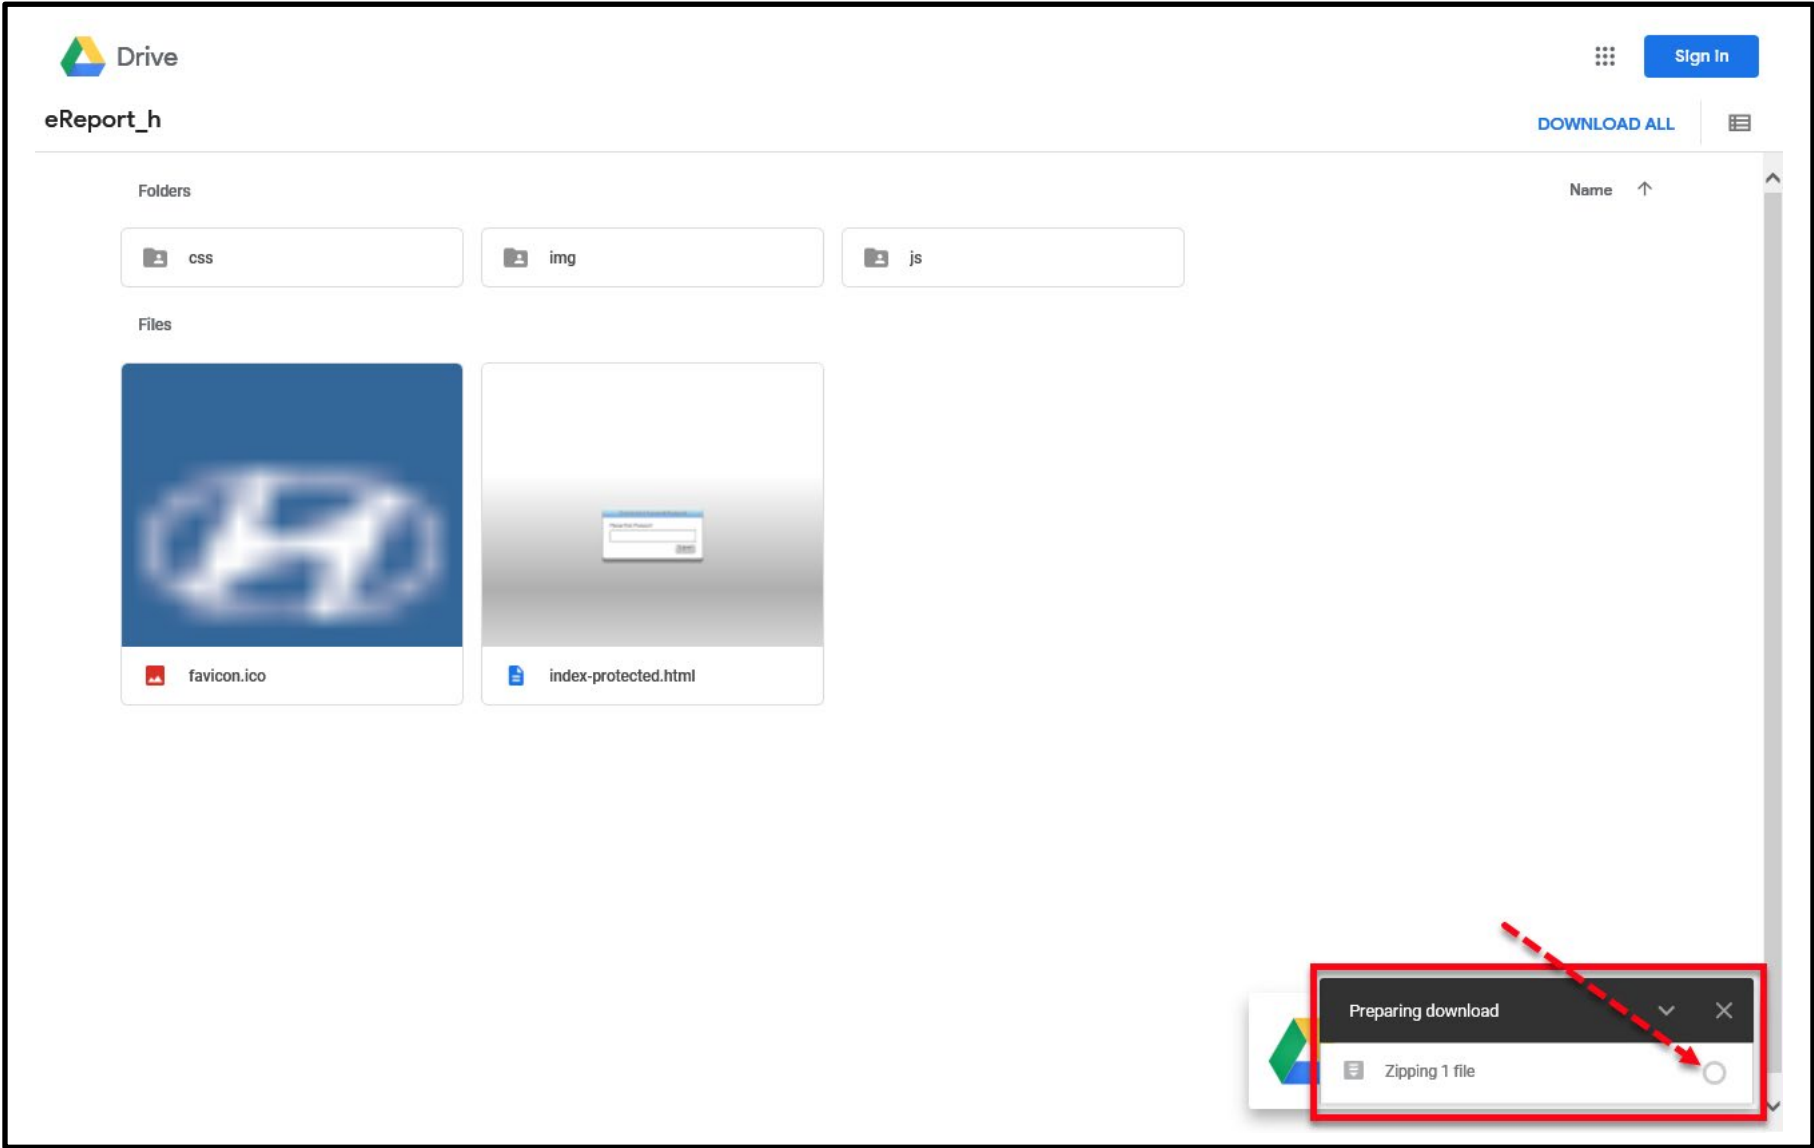

Select "Download All" a second time

Select "Download All"

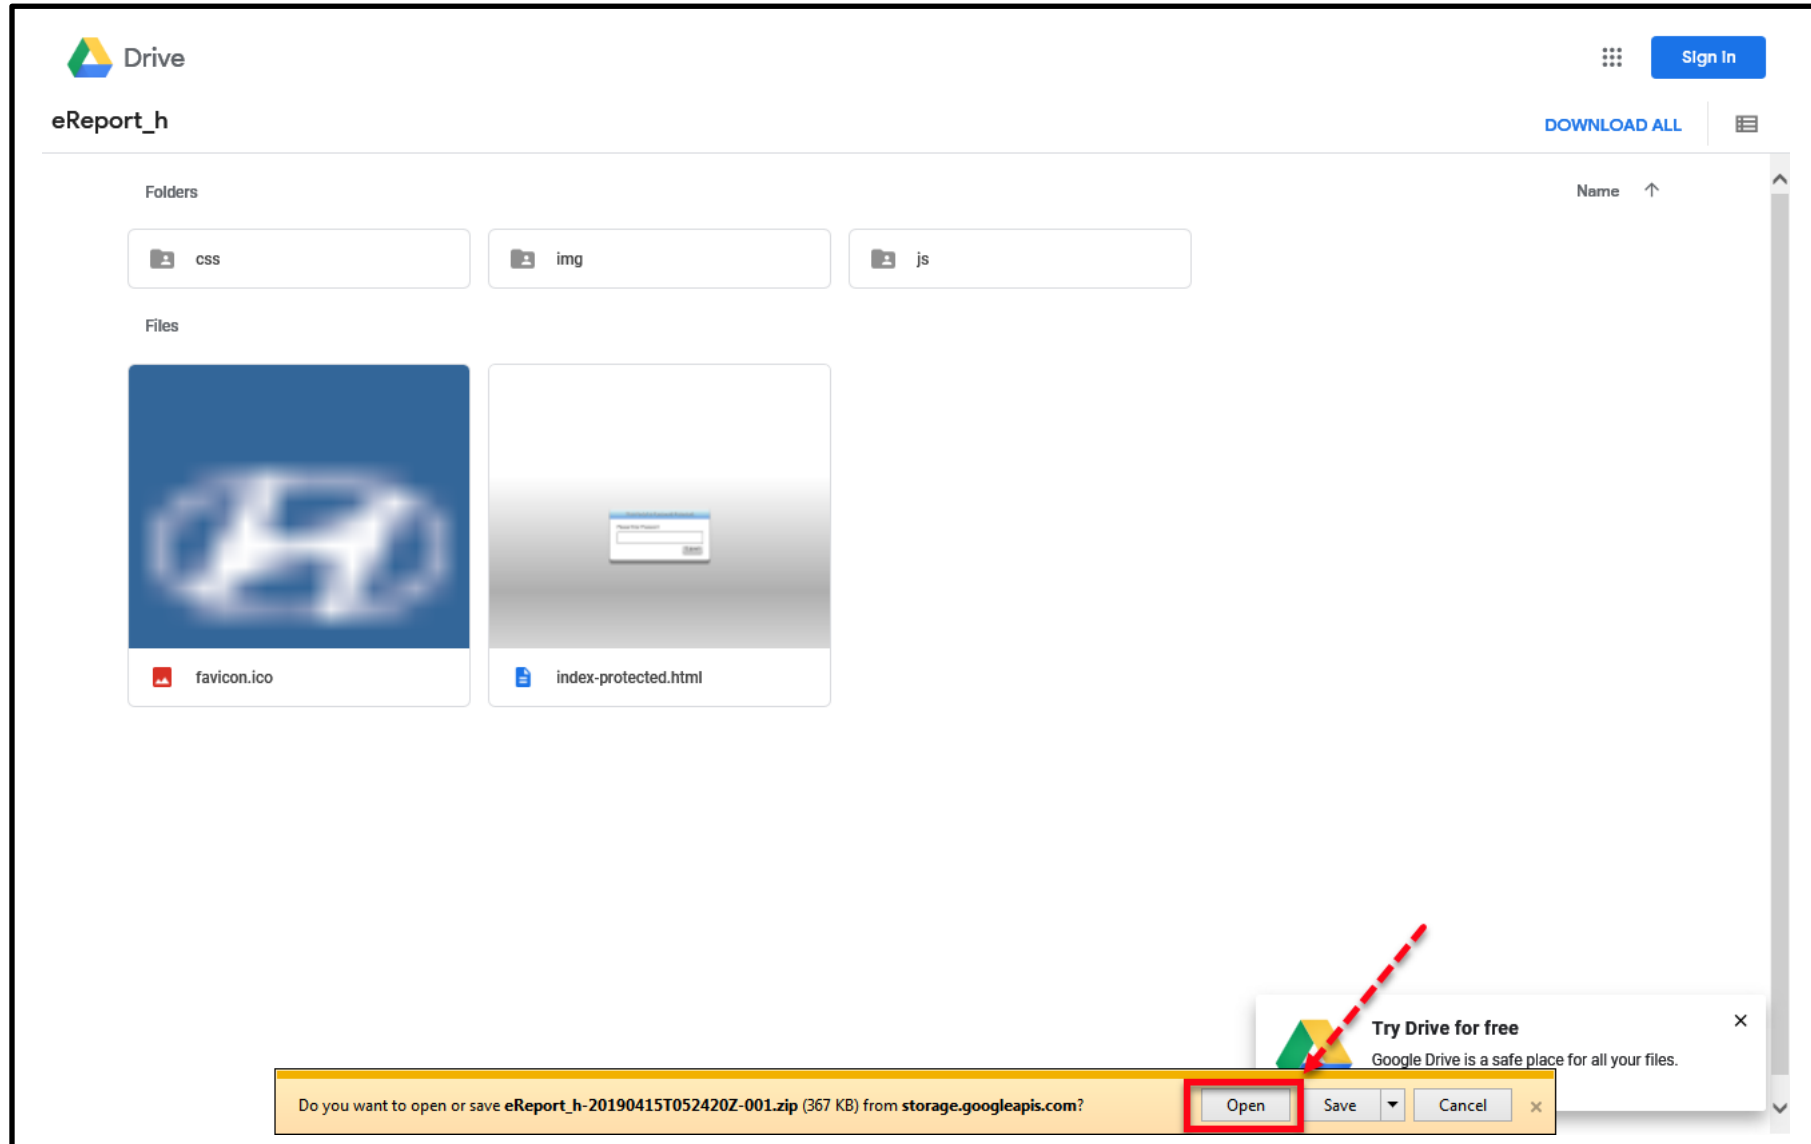

# eReport Portal Installation

Allow files to download.

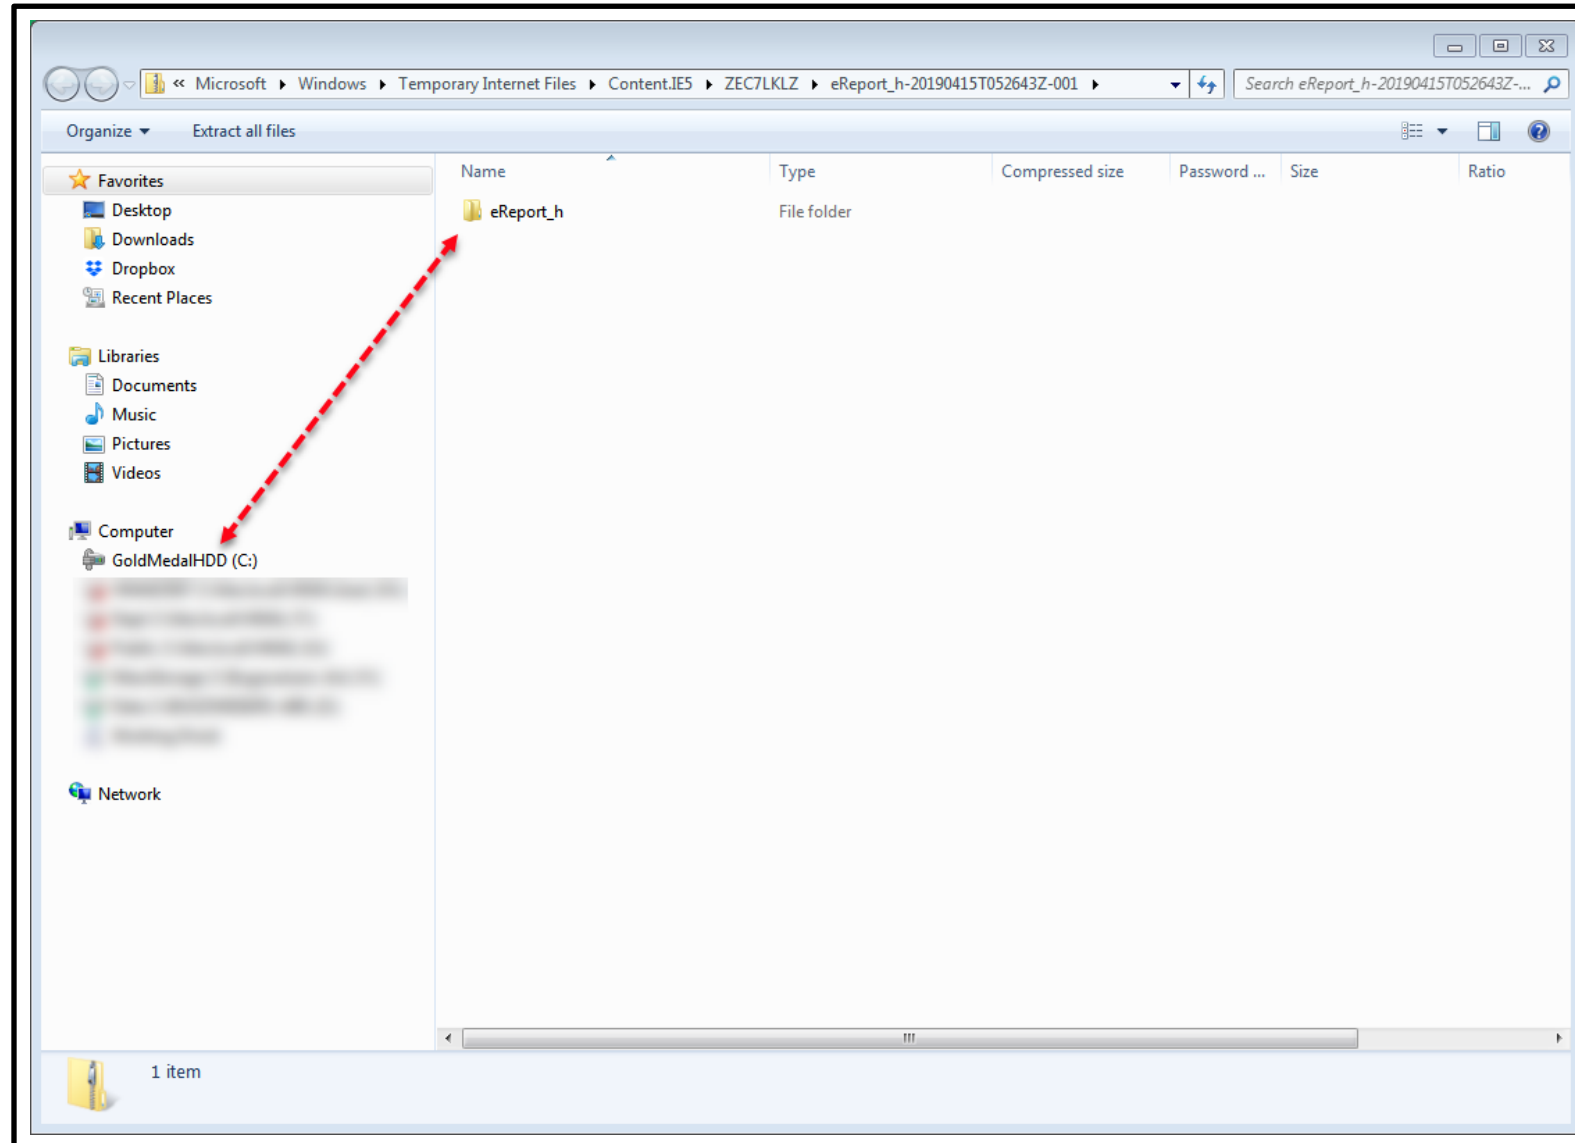

# eReport Portal Installation

Select "Open" when prompted

# eReport Portal Installation

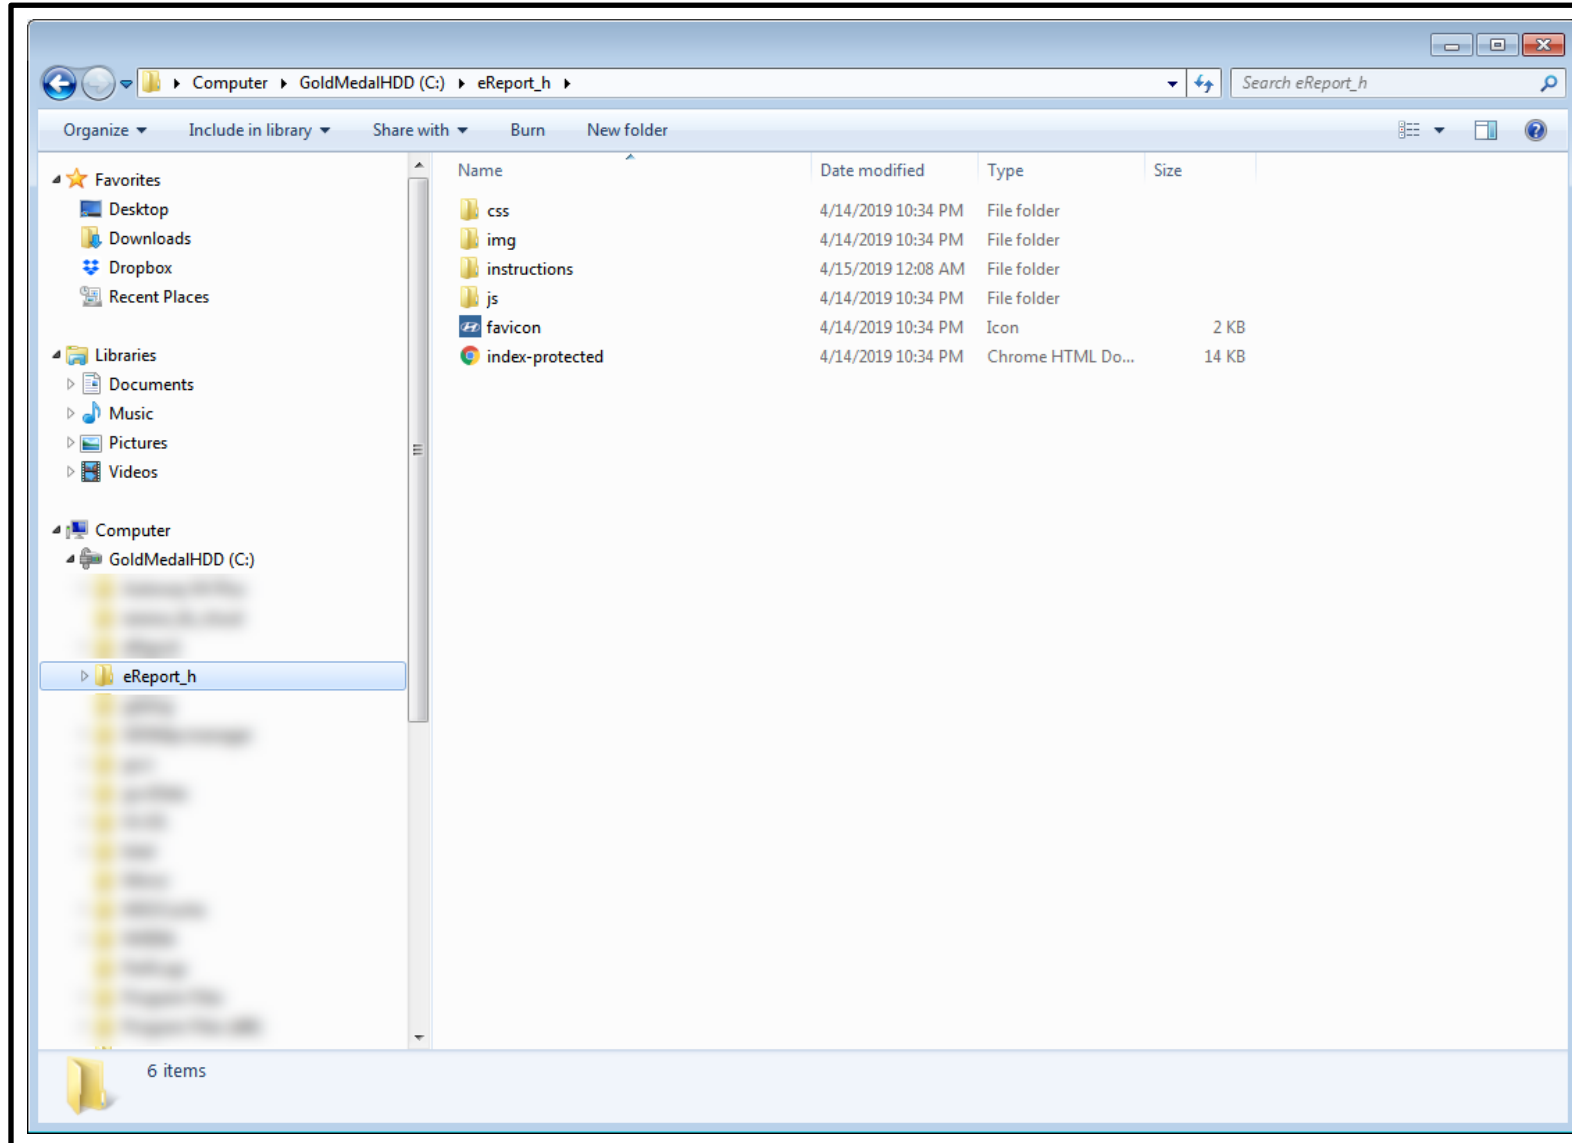

Drag and Drop “eReport\_h” into your C drive

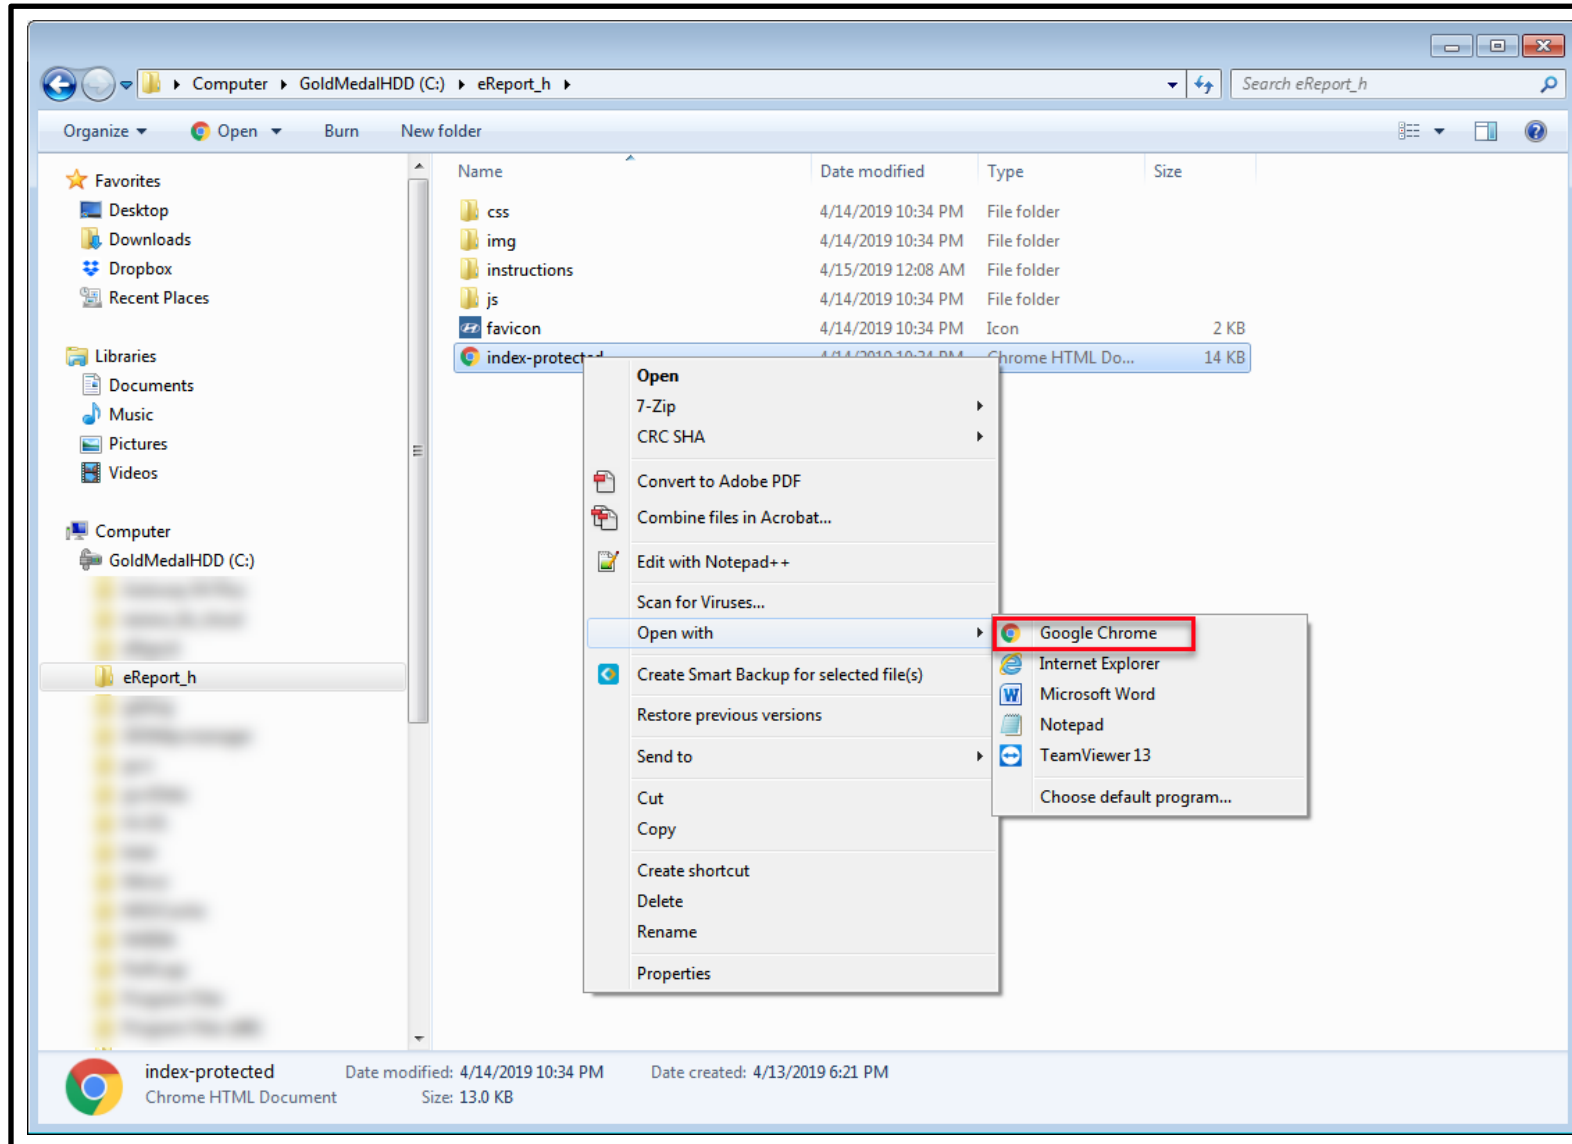

# eReport Portal Installation

Folder should now show within the “C” Drive and file structure should look as below  
*(if file structure is not shown as below, portal will not operate correctly)*

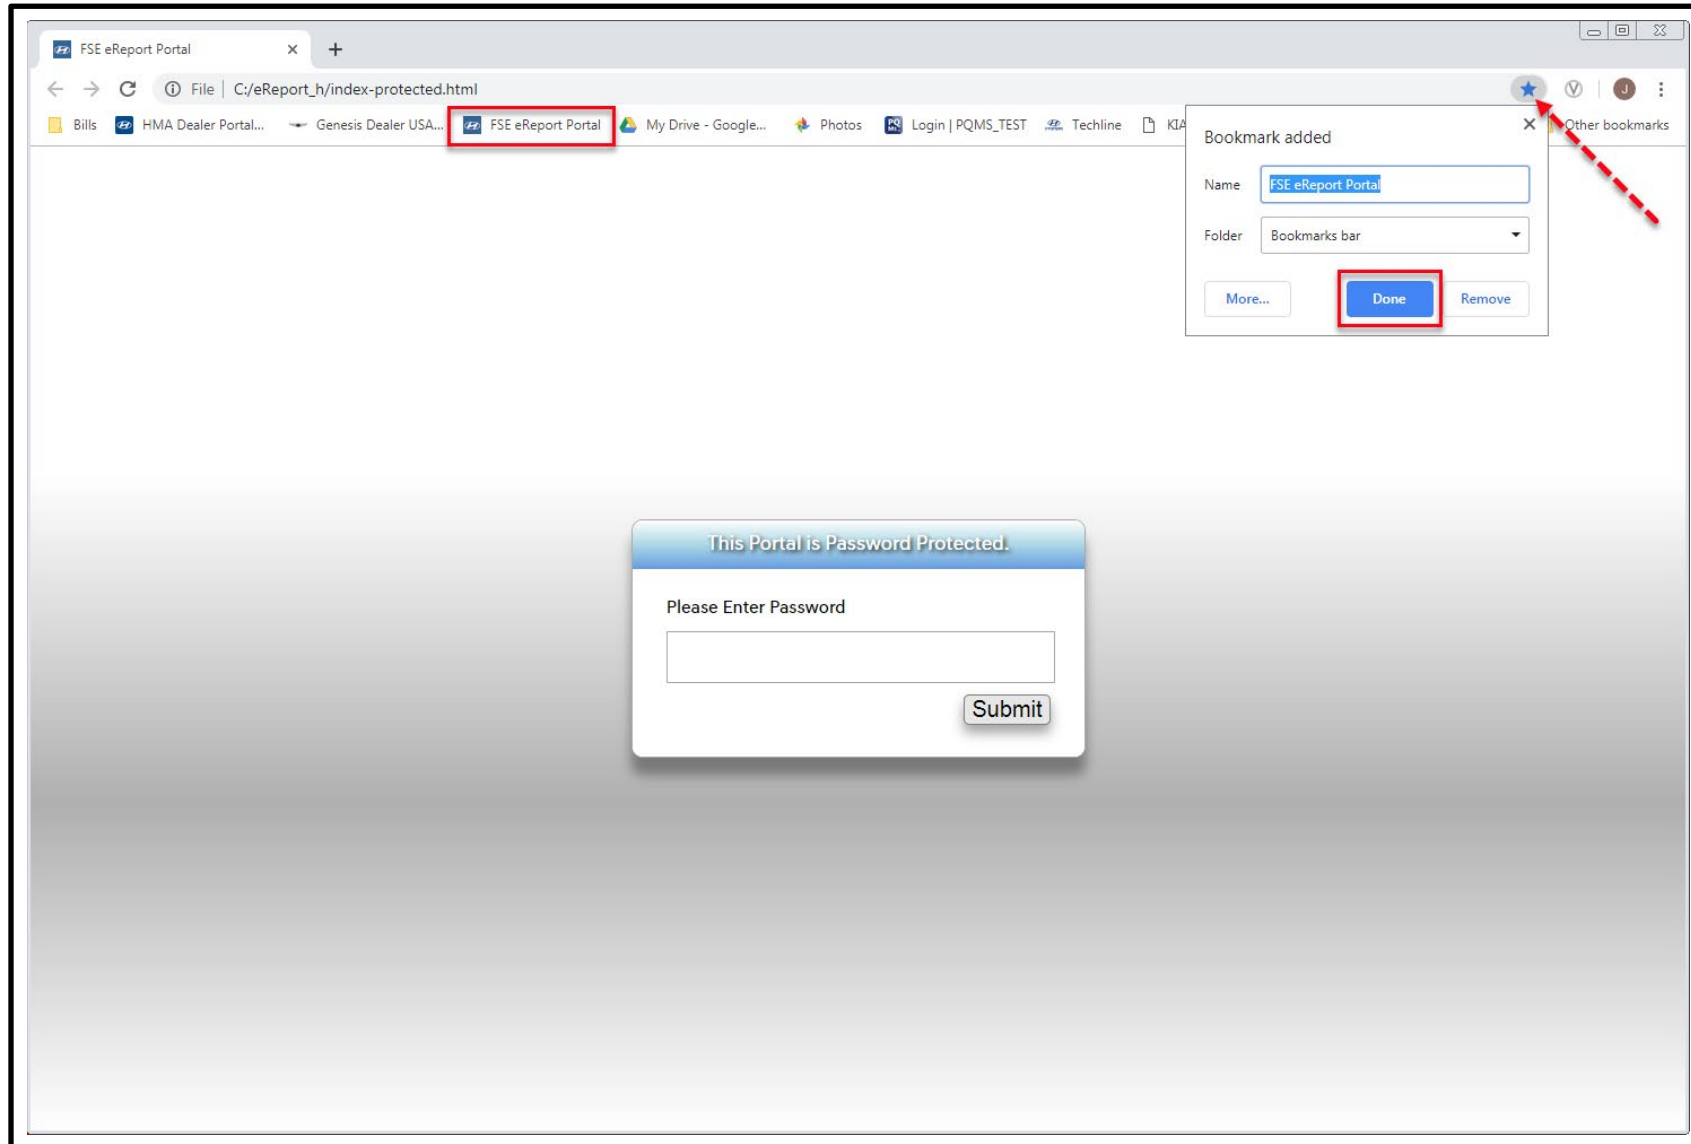

# eReport Portal Installation

Right click “index-protected” and select “Open with”, then select “Google Chrome”  
(if not available, need to download, application will only work within Google Chrome)

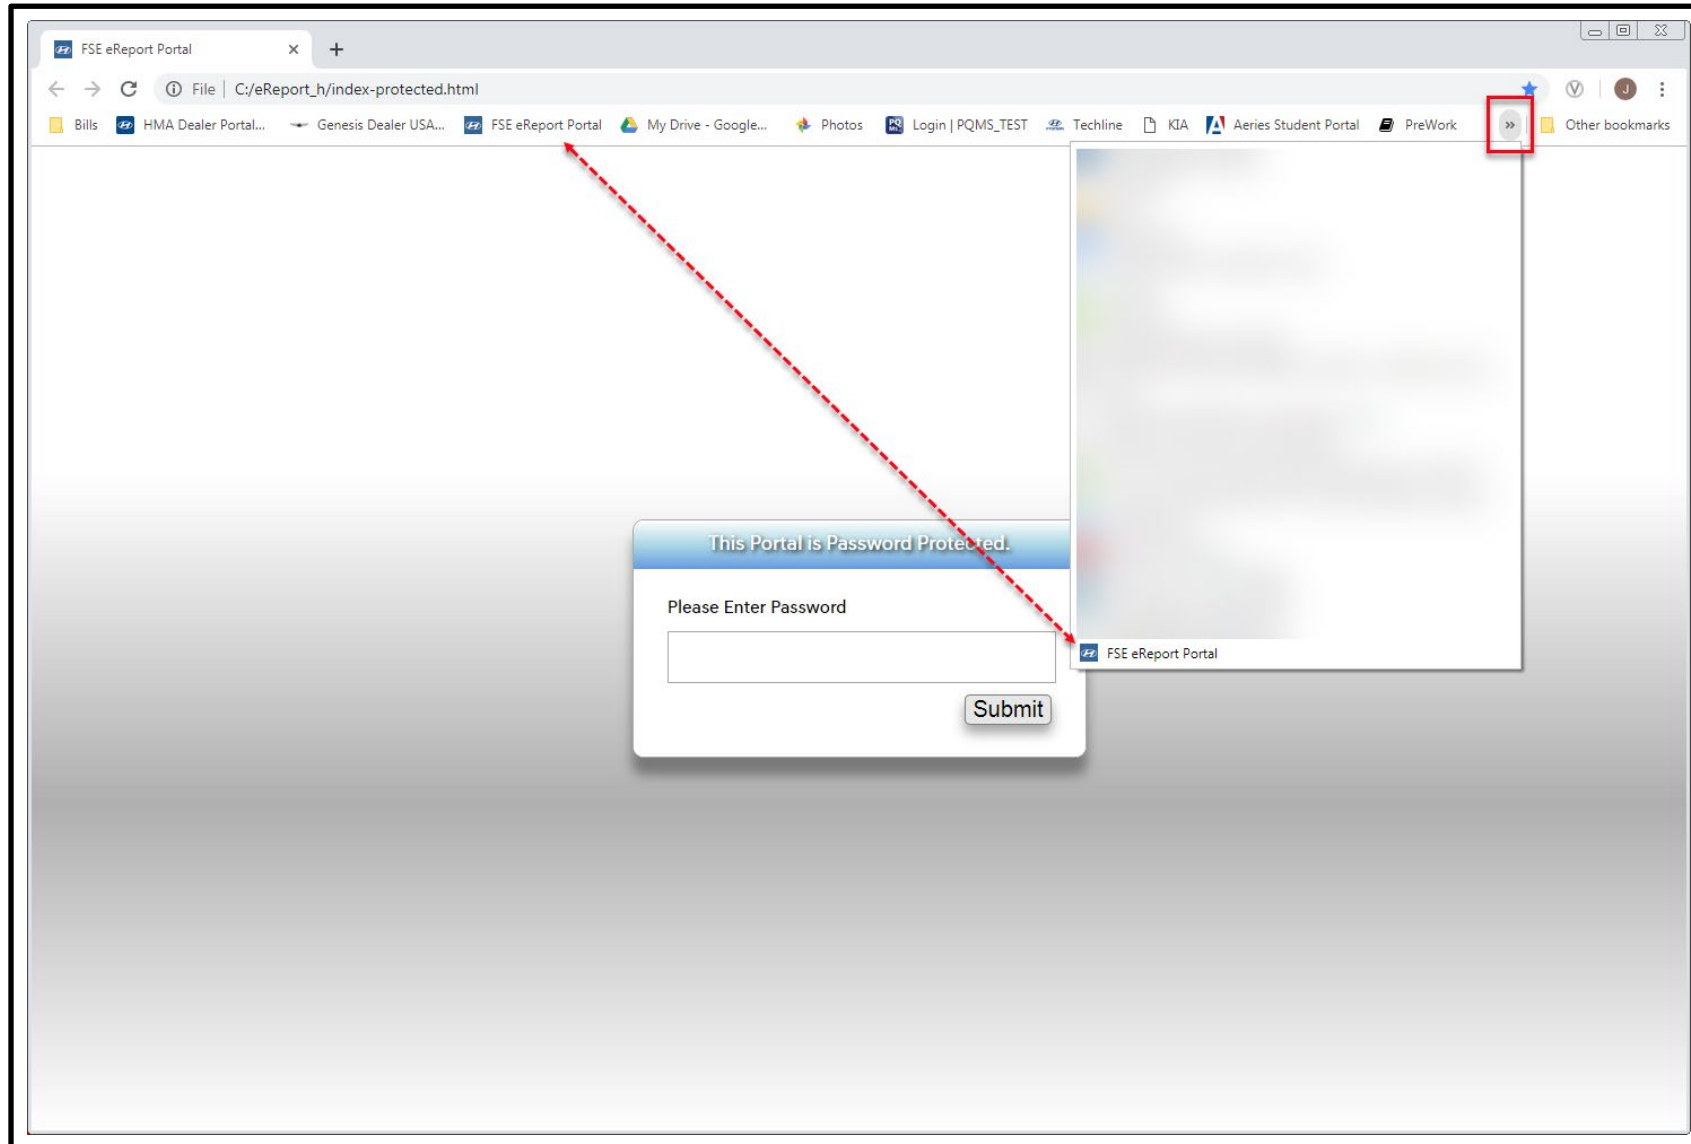

# eReport Portal Installation

Once open, select “Bookmark” star to add to bookmarks, when prompted click “Done” and if correct, will show in bar as shown below.  
*(if this is not seen when file is opened as shown in previous slide file structure is not correct as shown in slide # 8)*

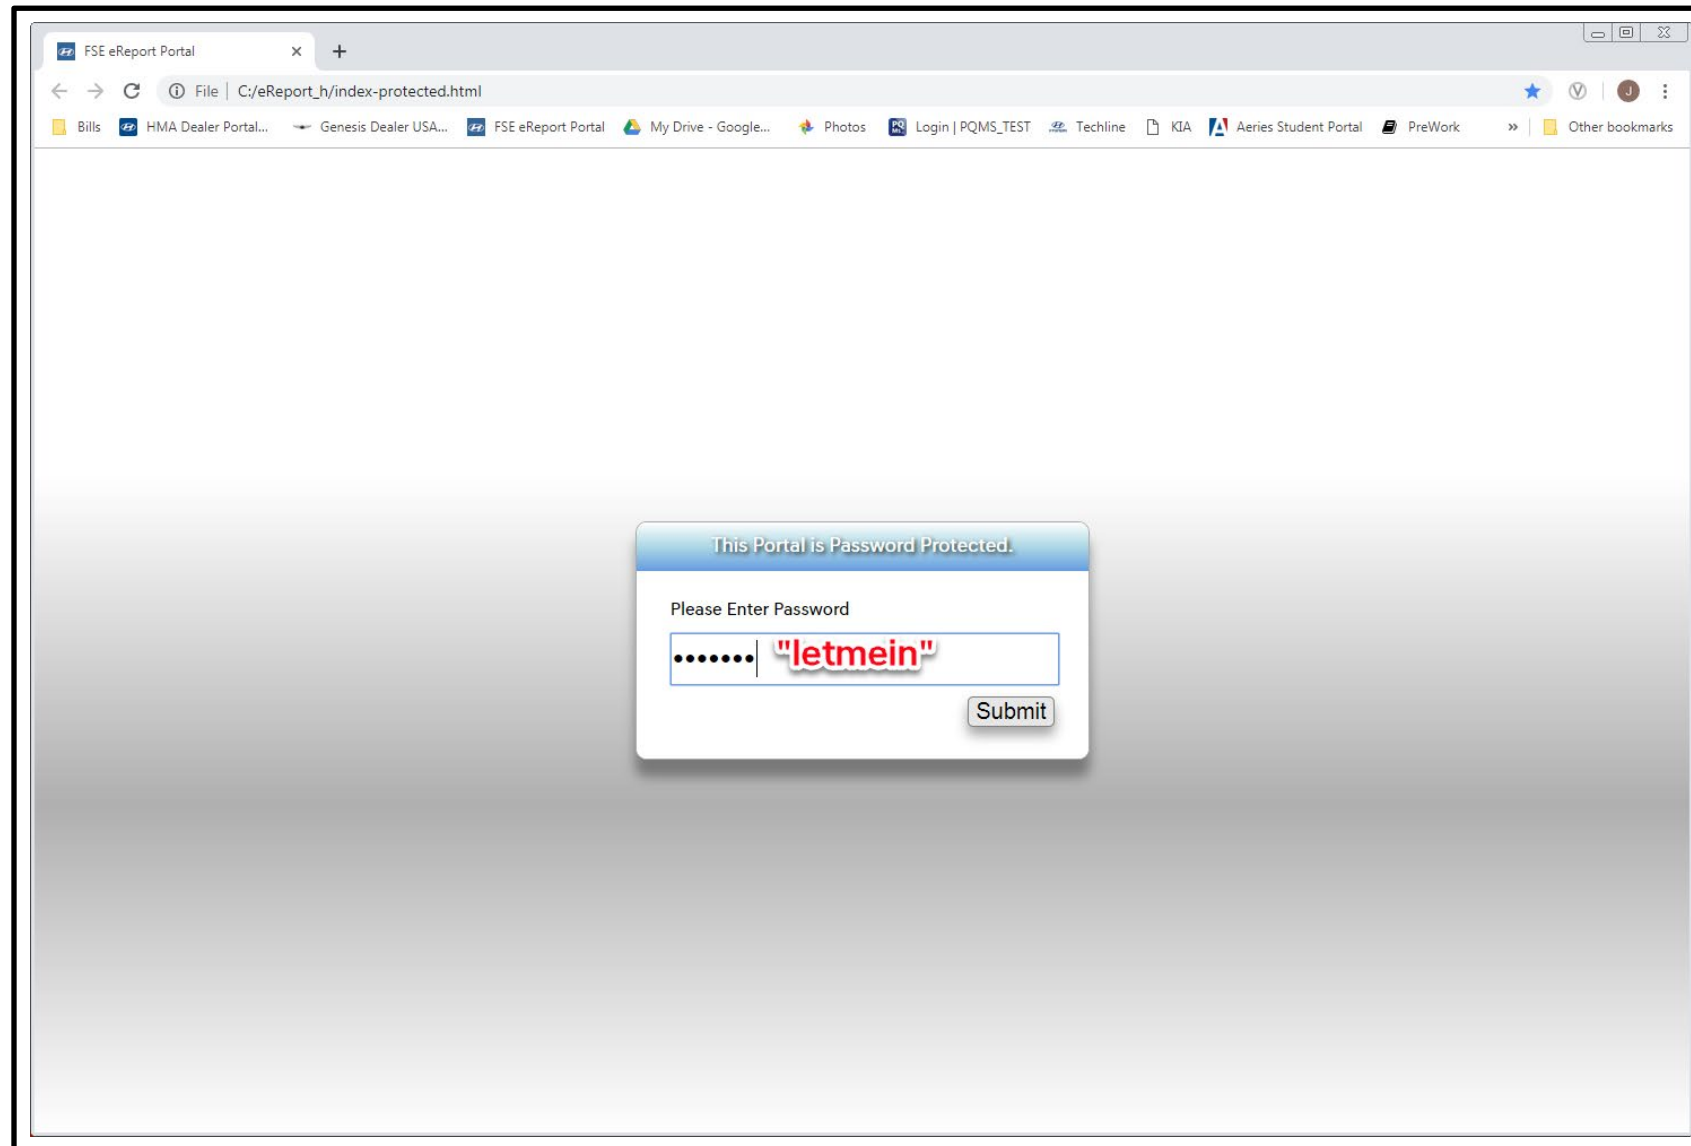

# eReport Portal Installation

*If multiple bookmarks already in place may have to select right arrow to see, Icon can be moved if desired by dragging and dropping to desired location within the Bookmark Bar.)*

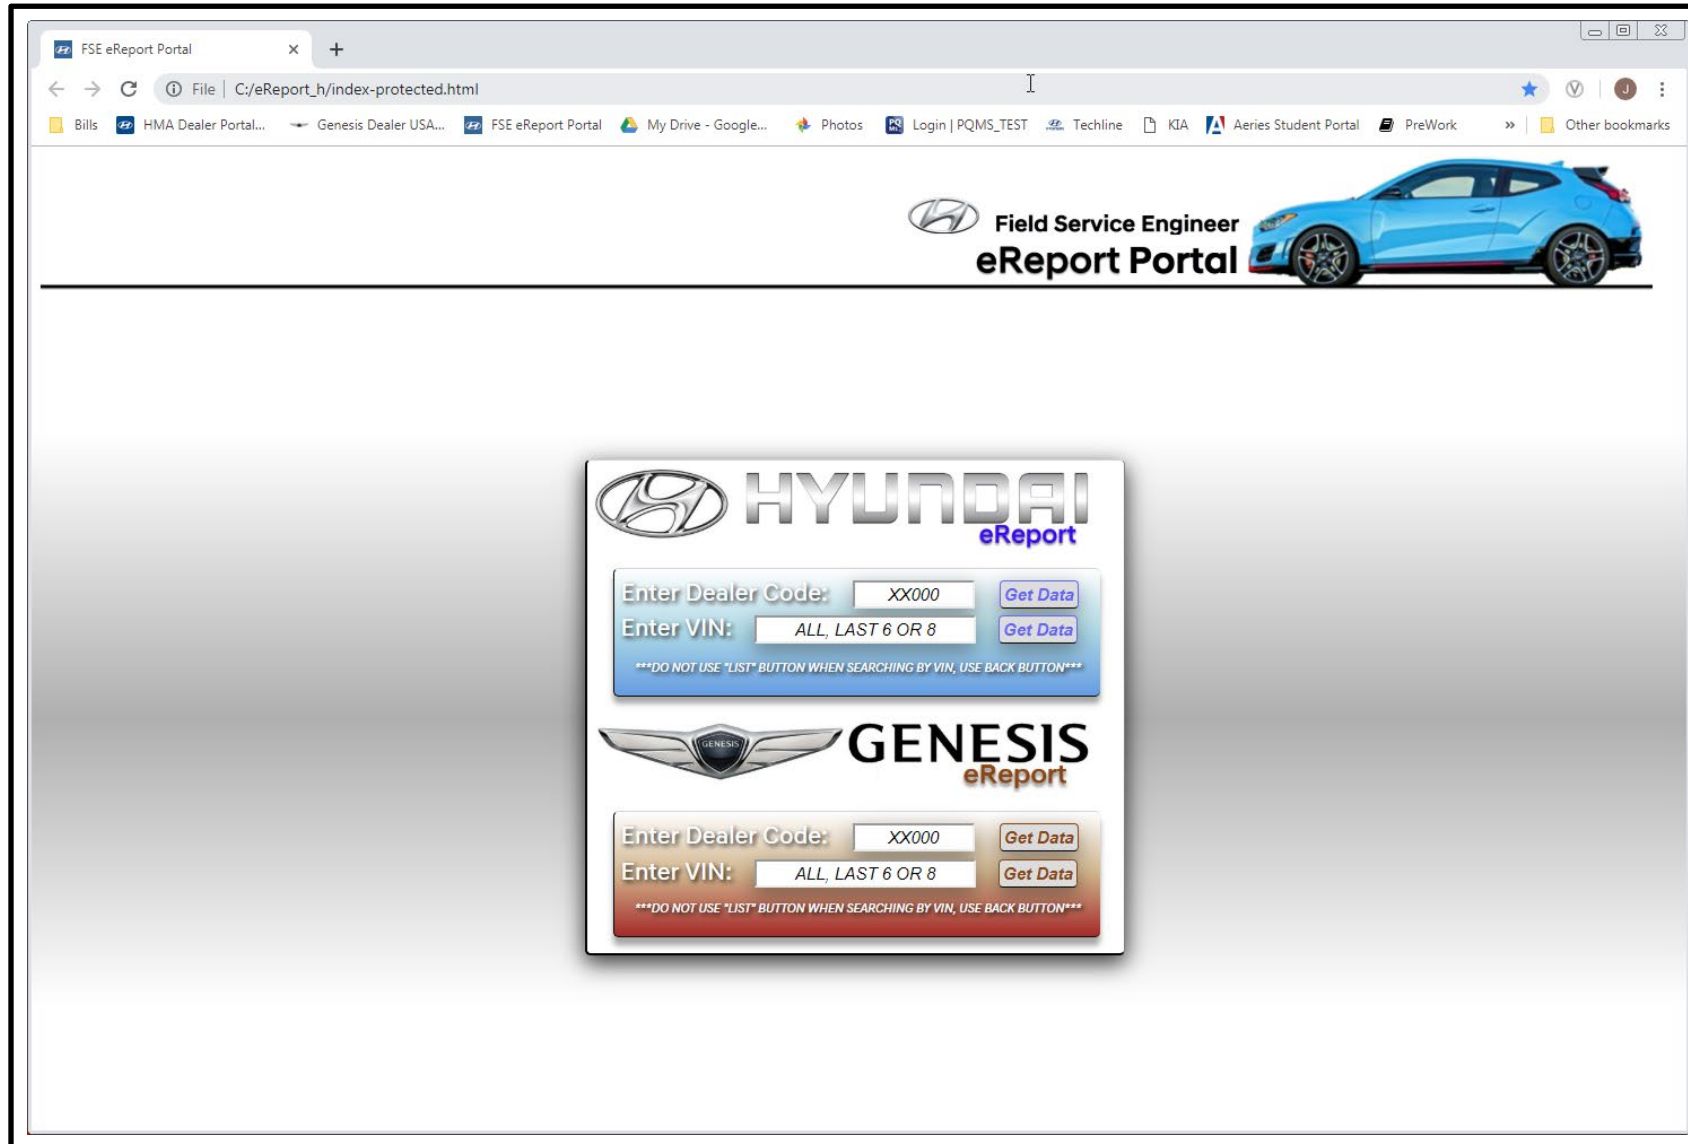

# eReport Portal Installation

Once loaded into the Bookmark Bar, enter password “**letmein**” (without quotes) and press select or hit enter

# eReport Portal Installation

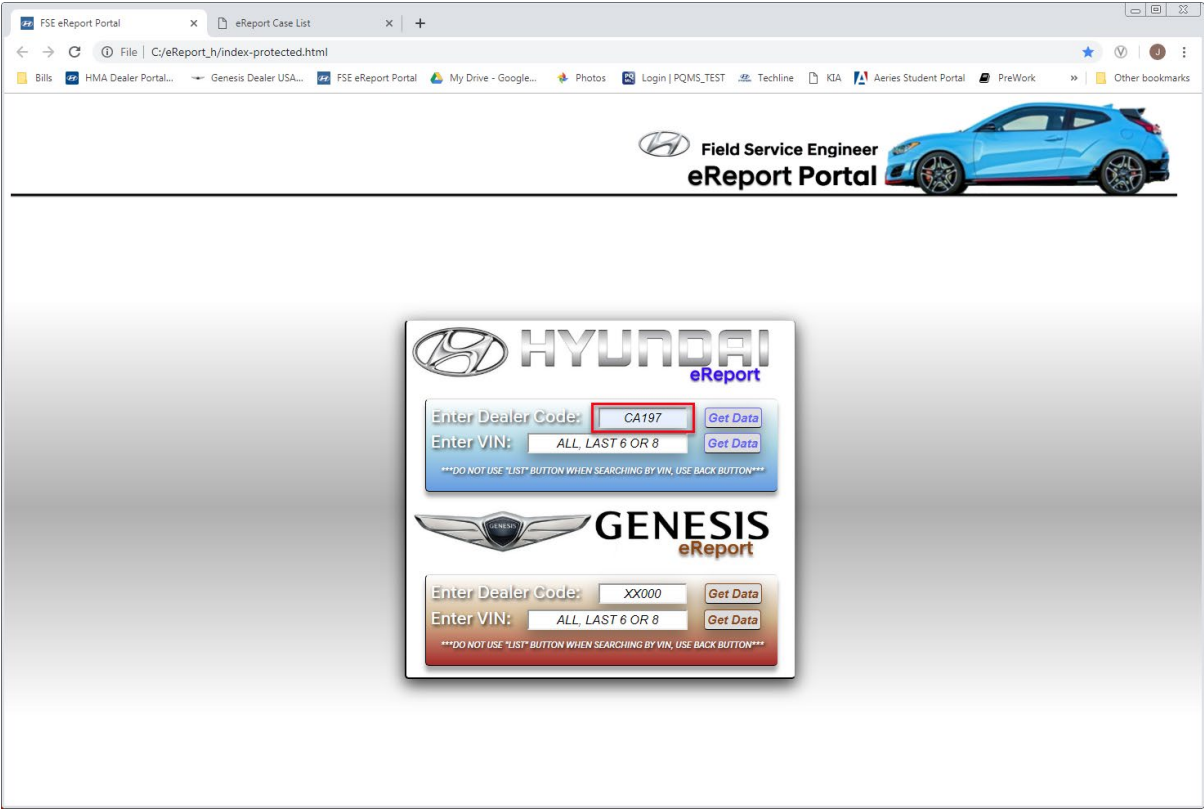

If password was entered correctly, and file structure is as shown in slide #8, this is what will be shown on screen

# **eReport Portal Operation.**

# eReport Portal Operation

Right click “index-protected” and select “Open with”, then select “Google Chrome”

If dealer information is desired, enter dealer code within desired car line (Hyundai / Genesis) and click “Get Data”.

Once “Get Data” is pressed a separate tab will open showing dealer’s eReport case data

The screenshot shows a web browser window with the URL 'gds.hyundai-techinfo.com/eReport/diaglist.aspx?uid=GDS&cpcode=B28AAca197'. The page title is 'eReport Case List'. It features a search bar with fields for VIN, Diagnostic No., and Date. Below the search bar, there is a table with 2537 articles. The table has columns for NO., Date, Diag No.(Temp No), VIN, Model, Year, Engine, and Technician. The data is sorted by Date in descending order.

| NO.      | Date                | Diag No.(Temp No)      | VIN                | Model              | Year | Engine      | Technician |
